

Miscellaneous

Chemicals

4-stroke marine oil / AP / SJ 10W30

08221-999-100HE

- An up to date universal engine oil, formulation produced with high quality solvent refined base oils and a well-balanced choice of additives.

Meets the requirements of all gasoline and diesel engines

Gear oil SAE 90 GL5

08251-999-100HE

- Mineral lubricating oil for mechanical transmission, formulated with high quality solvent required base oils and special extreme pressure additives. Used on Hypoid differentials under very heavy duty condition and should be used in all transmission that require EP transmission oils.

ATF Z1 oil

08266-999-100HE

- Honda ATF Z1 automatic transmission fluid has been specially developed for use in all trim and tilt applications.

Honda marine grease – lithium nr 2

08739-B06-100HE

- Honda marine grease is a high quality multi purpose lithium grease containing anti-oxidants and anti-corrosion additives. Honda marine grease oil is mechanically very stable and due to its smooth structure easily pump able.

Miscellaneous

Chemicals

Oil extractor

07999-ZW7-000AH

- Vacuum extractor easily removes crankcase oil from engine with no spilling or mess
- Float mechanism prevents overfilling
- Capacity of 6.5 litres

Application as from BF2 up to BF225

Touch up paint

08707-NH282MX

- Contains touch up paint, oyster Metallic Grey (NH-282M) and UCA 150 clear coat aerosol.
- This colour is the current model colour for all new engines sold

Application as from BF2 up to BF225

Touch up paint

08707-NH246

- Contains touch up paint loosey grey

For BF2 until BF2.3 extension case

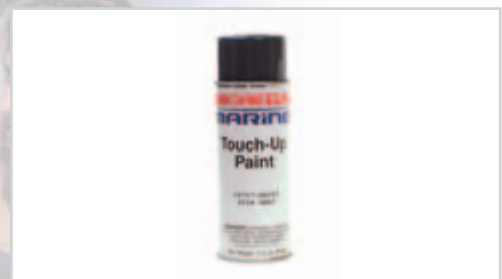

Propeller paint

08707-NH283X

- For all aluminium propellers (Stin Grey)

Application as from BF4.5 up to BF225

Miscellaneous

Chemicals

Corrosion inhibitor

08732-0009

- Dries to a light tack, and will not harm plastics or electrical wires, connectors or terminals
- Protects many components under the engine cover from salt water corrosion

Application as from BF4.5 up to BF225

Carburetor cleaner

08732-0007

- Removes effective gum, varnish and deposits from choke and throttle linkages
- Cleans intake components and carburetor bodies
